N

Trail/Project	Length (miles)	Land Manager	Seasonal Wildlife Closure	Description
East Eagle				
Good Bit	0.27	BLM	No	Creates singletrack connection from the Bluff's neighborhood to Boneyard, bypassing steep, lower Bellyache Rd
Pool & Ice Rink - Reroute Brake Bumps	0.15	BLM	December 1 - April 15	Reroute brake bumps at bottom. Trail is widening significantly and will continue to grow.
Burn After Riding	-0.82	BLM	December 1 - April 15	Decommission
Braaap	0.62	BLM		Close illegal trail
Dirt Surfer	0.50	BLM	December 1 - April 15	Decommission and reroute to a more sustainable alignment, close to motorized use, and direct new alignment out of BCVROS property
Dirt Surfer Shortcut	-0.32	BLM	December 1 - April 15	Decommission
BLM 8412	0.65	BLM	December 1 - April 15	Decommission
Road Gulch Reroute (Partial)	0.65	BLM	December 1 - April 15	Decommission road below Will's Thrill intersection and reroute to non-motorized singletrack
8412A Decommission	-1.67	BLM	December 1 - April 15	Decommission
8412AA Decommission	-0.39	BLM	December 1 - April 15	Decommission
8413E Decommission	-0.56	BLM	December 1 - April 15	Decommission
8413G Decommission	-0.56	BLM	December 1 - April 15	Decommission
8413D Decommission	-0.76	BLM	December 1 - April 15	Decommission
8413BA Decommission	-1.85	BLM	December 1 - April 15	Decommission
8413B Decommission	-3.14	BLM	December 1 - April 15	Decommission
8413 Decommission	-2.15	BLM	December 1 - April 15	Decommission
8413BC Decommission	-0.28	BLM	December 1 - April 15	Decommission
Eagle Ranch				
3rd Gulch Reroute	2.00	BLM	December 1 - April 15	Reroute existing 3rd Gulch trail/road that is severely eroding and create sustainable singletrack alignment.
Water Tank Trail / Riddle Area	-0.75	BLM/TOE	December 1 - April 15	Decommission social trail from water tank to Hardscrabble Rd. and social trail connection to Riddle
West Eagle				

Trail/Project	Length (miles)	Land Manager	Seasonal Wildlife Closure	Description
Abrams Ridge Extension	0.45	BLM	December 1 - April 15	Extend Abram's Ridge by building new singletrack and connecting to new Worlds Greatest Trail Hub. Decommission existing doubletrack road
8384B	-1.77	BLM		Decommission existing road that is currently closed to motorized use and leads to a dead end
Abrams Gulch Reroute	0.75	BLM	December 1 - April 15	Reroute upper section of Abrams Gulch and build new singletrack that connects with Scratch. Decommission steep Abrams Gulch road (0.57 miles)
Itch Reroute	0.15	BLM	December 1 - April 15	Close and decommission Itch trail below World's Greatest and move to World's Greatest trail start.
Scratch Extension	0.11	BLM	December 1 - April 15	Extend Scratch singletrack to connect with World's Greatest and new proposed Itch start
Scratch Reroute	0.15	BLM	December 1 - April 15	Reroute Scratch to connect with the Shire Trail Hub location. Decommission existing sections of Scratch.
Reynolds Wrap Reroute	0.25	BLM	December 1 - April 15	Reroute Reynolds Wrap to extend into Scratch.
Mike's Night Out Reroute	0.75	BLM	December 1 - April 15	Extend Mike's Night Out singletrack downhill to connect into Shire Trail Hub. Close (not decommission) existing 0.59 miles of trail on utility road
Mike's Night Out Hike Reroute	0.55	BLM	December 1 - April 15	Decommission Mike's hike-a-bike and build singletrack trail
Dead Cow	1.14	BLM	December 1 - April 15	Open to dirt bikes
Firebox Singletrack	0.88	BLM	December 1 - April 15	Open to dirt bikes
Firebox Alternative	-0.91	BLM		Close illegal trail
Blue Grouse Extension	0.68	BLM	December 1 - April 15	Decommission existing illegal section and reroute to Catwalk to create a new motorized loop connecting in with Shire Trail Hub
Blue Grouse Decommission	-0.75			Decomission existing illegal section that connects into Mike's Night Out
